SOUTH DAKOTA

Mission: Lifeline Conference

Target Audience:

Cardiologists; Emergency Physicians;
Leadership; EMS Leadership & Medical
Directors; STEMI Coordinators; and Others
interested in improving emergency heart
care for South Dakota.

Call for Posters/Storyboards:

Call for Posters/Storyboards: You are
invited to display a poster or storyboard
showing efforts to improve STEMI care
(case study, process improvement project,
data trends, etc.). More information will be
provided on the invitation.

** The South Dakota Mission: Lifeline STEMI
conference is a continuing education activity.*
